SPA COLLECTION

Relax. Rejuvenate. Recharge.

Escape to the world of relaxation and rejuvenation, where wellbeing and tailored treatments come together to enhance your stay.

Newly opened this year, **Hotel More Spa** is designed as a space for calm, balance and time for yourself. From body treatments and massages to carefully tailored face treatments, each experience is created to help you slow down and reconnect, in an atmosphere that feels both refined and unpretentious.

Working with selected brands such as Quarnero and Phytomer, our approach combines expertise with a considered, natural touch. Whether you are unwinding after time by the sea or simply taking a quiet moment, the spa becomes part of a stay defined by ease, comfort and wellbeing.

Sauna

A moment of deep relaxation and renewal.

BIO SAUNA

☀ Temperature: 50–65°C | Humidity: 30–65%

🕒 Recommended duration: 15–20 minutes

Bio sauna is a gentle wellness experience designed to relax body and mind. Its moderate heat helps release muscle tension, ease discomfort, and support recovery after physical activity.

Enhanced with aromatherapy essential oils, it also supports easier breathing and overall wellbeing. Known as a “soft sauna”, it is ideal for a milder yet restorative relaxation experience.

FINNISH SAUNA

☀ Temperature: 85–90°C | Humidity: 10–15%

🕒 Recommended duration: 8–15 minutes
followed by rest and cooling between each cycle

Finnish sauna offers a powerful wellness experience with intense dry heat that supports deep detoxification and natural skin cleansing through sweating. It helps relax muscles, ease joint pain, and improve circulation, supporting overall cardiovascular health. Regular use reduces stress, improves sleep, and strengthens the immune system, promoting full-body renewal and wellbeing.

more SPA Cosmetics

Selected with Care.

Our spa brings together skincare brands that share a commitment to quality, authenticity and refined simplicity. These formulas are not just part of the treatment, but an essential element of the overall experience – supporting your skin with every touch. At Hotel More Spa, we have chosen Quarnero and Phytomer for their distinct approach to skincare, each offering a unique balance of nature, expertise and proven results.

PHYTOMER

From the Sea to the Skin

PHYTOMER combines the power of the sea with sustainable, organic practices. Certified algae are cultivated in the open sea and labs, while seaside plants grow in greenhouses. Eco-friendly packaging, renewable energy use, and coral reef restoration reflect the brand's commitment to the environment. Exclusively distributed through professional spas, PHYTOMER delivers expert care directly from the sea to your skin.

QUARNERO

Organic and Potent Skin Care

Founded in 2010, Quarnero is a Croatian brand dedicated to creating organic, vegan-friendly skincare with the highest quality ingredients. All products are certified by NATRUE, GMO-free, and carefully packaged in Miron violet glass jars to preserve potency. Using the purest and most potent herbs, Quarnero delivers skincare that combines effectiveness with the natural power of carefully selected botanicals, offering a truly revitalising experience for your skin.
